

HOW TO DOWNLOAD ROUTES

Please Note: Downloading maps is not necessary at Tour de Buckeye Lake but is a convenience that some cyclists may want. Routes are very well marked.

1. After following the hyperlink in your email, you will need to create a **free** account with RideWithGPS (if you don't have one)
2. Once an account is created and you have RSVP'd, you will land on the 2021 Tour de Buckeye Lake tour page
3. Click on the route you would like to view and click "Go to route"
